Dear Sir:

In response to the Office action mailed on December 16, 2002, please amend the above-identified application as follows. This amendment is in the revised format published in the *Official Gazette* on February 25, 2003. The undersigned believes that no fee is required with this amendment; however, if a fee is necessary, the Commissioner is hereby authorized to charge any necessary fee, or credit any overpayment, to USPTO Deposit Account No. 50-0891.

Two sheets of formal drawings are enclosed with a letter to the Official Draftsperson. The Applicant respectfully requests entry of the formal drawings into this case, pending approval of the formal drawings by the Examiner.

A Declaration under 37 CFR 1.131 is enclosed with Exhibits A, B, and C. The undersigned believes this Declaration and associated Exhibits antedate U.S. Patent No. 6,323,843, which the Examiner relies on in the rejections of claims 1-20.
